As a legal professional, you need conferencing services that you can rely on. That's why ConferencePlus™ offers you easy-to-use services with 99.999% conference availability. Your colleagues and clients depend on you to get the job done and ConferencePlus provides the support and service you can trust to help you make it happen.

For over 17 years, ConferencePlus has been providing full service, customer focused audio, web, and videoconferencing services to the legal profession. Our commitment to personal service and our dedication to quality consistently earn customer satisfaction ratings over 99.5%.

Meeting the needs of the legal community

ConferencePlus services are ideally suited to serve the demands of the legal profession with a variety of services and tools that our customers depend on every day. From security features that ensure client confidentiality is always maintained, to our industry leading reporting and billing system that allows us to provide timely invoicing at the client, client matter number, or case level, ConferencePlus is ready to exceed your needs and expectations.

Customer commitment

At ConferencePlus, our customers count on us to deliver superior service every time they host a conference, and we wouldn't want it any other way. Our formula for success is simple - focus on customer needs, provide the highest quality services, and back them with industry leading customer care. Isn't it time to work with a partner that provides the service you deserve? Join ConferencePlus and simplify your business day.

 - Depositions from anywhere in the world
 - Negotiations
 - Trial preparation

Conferencing features

- + **Reliability** - ConferencePlus takes great pride in our reliability and customer service. That is why our customer satisfaction ratings are over 99.5%. As a Legal Professional, can you afford the risks associated with a less reliable service?
- + **Conference Security** - ConferencePlus offers the ability to utilize Security Lists, PrivacyPIN, Conference Locking, Roll Call, and other features to ensure that only those you want in your conference are allowed to attend.
- + **Reporting/Billing** - ConferencePlus has developed the most robust and flexible billing system in the conferencing industry. We give you timely, accurate billing and reports that allow you to track by client, matter #, case, location or any other variable. You can also view time and charges for each call online through your MyAccount Dashboard.
- + **Administrative Tools** - The online MyAccount Dashboard enables conference arrangers (Administrators, Executive Assistants, etc.) to set up and manage multiple host accounts online. Arrangers can create host profiles, set host preferences, edit conferences, view a 90 day history of time and charges, or launch audio and web conferences for their hosts.
- + **Recording/Archiving** - ConferencePlus can record and archive your audio, web, and videoconferences for later review and to ensure you have captured all of the pertinent facts and statements.
- + **Operator Assisted Services** - ConferencePlus operators are available to dial-out to your clients and colleagues or to help manage your most important calls.

simplify

ConferencePlus believes that conferencing should not only change the way you do business – it should improve your business processes by increasing productivity and simplifying your business day. We are dedicated to making you and your organization look good by providing audio, web and videoconferencing services that help you maximize every meeting opportunity – anywhere, at any time. Our goal is to ensure that each event is a productive, positive, “no surprises” experience.
