

Conferencing White Paper: Legal

ConferencePlus provides a complete portfolio of services and tools that are designed to simplify conferencing for Legal Professionals. From 99.999% conference availability, to a complete set of administrative tools, ConferencePlus has the people, technology, and services that ensure that your conferences are a productive, "no surprises" experience.

Reliability

ConferencePlus takes great pride in our reliability and customer service. That is why our customer satisfaction ratings are over 99.5%. As a Legal Professional, can you afford the risks associated with a less reliable service?

Reporting/Billing

ConferencePlus has developed the most robust and flexible billing system in the conferencing industry. We give you timely, accurate billing and reports that allow you to track by client, matter #, case, location or any other variable. You can also view time and charges for each call online through your MyAccount Dashboard.

Administrative Tools

The online MyAccount Dashboard enables conference arrangers (Administrators, Executive Assistants, etc.) to set up and manage multiple host accounts online. Arrangers can create host profiles, set host preferences, edit conferences, view time and charges, or launch audio and web conferences for their hosts.

Conference Security

ConferencePlus offers the ability to utilize Security Lists, PrivacyPIN, Conference Locking, Roll Call, and other features to ensure that only those you want in your conference are allowed to attend.

Video Conferencing/Video Depositions

Save time and avoid the hassle and cost of traveling. ConferencePlus can set-up and record your video conferences and video depositions from anywhere in the world. [Click here to learn more about VideoPlus.](#)
